Junior Auxiliary of Cleveland's Projects

Character Builders
Character Builders educates elementary age children on the Six Pillars of Character which are Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. Character Builders also works with high schools students to help prepare them for the "real world". Our Reality Check and Reality Campus Programs give the students an idea of what it is like to live on a budget and how to make appropriate choices.

Child Safety
It is a parent's worst nightmare—a missing child. Through our Child Safety projects, JA aims to educate children and their parents about the dangers that surround them.

Crown Club
Fifth through twelfth grade daughters and granddaughters of active, associate, and life JA members are invited to join Crown Club and participate in Junior Auxiliary's projects. Through the activities, these young ladies' interests are peaked in the social, economic, educational, civic and cultural condition around them.

Cultural
Cultural projects strive to expose the children of our community to art and expand their interest in all areas of the arts. Through projects like "Beyond the Canvas," a community art immersion project that has created community murals and sculptures, the kids learn different mediums of art and have an opportunity to give back to our community through their beautiful creations. Cultural encourages creativity through the annual sponsorship of the Crosstie Art and Writing Contest.

Child Welfare
JA is committed to providing children in the community with items and opportunities that may not otherwise be available to them. Items include necessary staples like school supplies and clothing.

Health & Wellness
Promotes the importance of physical fitness and healthy eating habits to elementary age children in hopes that they will develop good habits that can last a lifetime.

Scholarship
Junior Auxiliary recognizes and honors the top scholars in Bolivar County with an undergraduate scholarship to three winners of our "Care Today - Character Tomorrow" essay contest.

Exceptional Education
Junior Auxiliary members visit several Special Education classrooms in the Cleveland School District to provide educational opportunities for these children through craft projects, field trips, parties, and BPAC performances.

Special Sports
Through these projects, JA conducts sports programs for the special needs children in our community. With the assistance of Delta State University basketball teams, members hold a Special Sports "Hoop It Up" Basketball program for junior high and high school age special needs students.

Voices of Youth
Every three years, the Junior Auxiliary of Cleveland presents "A Child's Dream", an adaption of the Nutcracker Ballet. JA's goal is to provide all young people, regardless of economic or cultural background, the opportunity to experience the arts through their participation in the production. More than 200 community children participate in the production!

For over 70 years, the Junior Auxiliary of Cleveland has been dedicated to providing community services with emphasis upon helping children. A non-profit organization, the Cleveland JA is comprised of approximately 40 active members and more than 200 associate and life members. Through our projects, we are able to touch the lives of numerous children. Our motto is "Care Today, Character Tomorrow" - through our work, we aim to make a difference in our community.

We hope that you will consider being a 2021 Corporate Sponsor, we will hold a virtual event on Friday, February 19, 2021. We appreciate your support of our organization, and we hope to make even more children's dreams a reality. Working together, your financial support and Junior Auxiliary members' time can make a difference in Cleveland and our surrounding areas. Donations can be made online at: www.clevelandja.org
